## **DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING**

- **VISION**

Producing competent computer engineers with a strong background in the latest trends and technology to achieve academic excellence and to become pioneers in software and hardware products with an ethical approach to serve the society.

- **MISSION**

To provide quality education by inculcating strong fundamentals in basic science, mathematics and engineering concepts through the state-of-the-art facilities. To provide the learning ambience that helps the students to enhance problem solving skills and to inculcate in them the habit of continuous learning in their domain of interest. To serve the society by providing insight solutions to the real-world problems by employing the latest trends of computing technology with strict adherence to professional and ethical responsibilities.
